

DIVERSITY

We're delighted to announce that we will be supporting The Trussell Trust and food banks in their network on our upcoming UK tour.

The Trussell Trust provide emergency food and support to people locked in poverty, while also campaigning for change to end the need for food banks in the future. Diversity aim to help to raise food, funds and awareness of the 1,300 food bank centres across the UK.

This will be the busiest winter ever at food banks, and they're already stretched to breaking point.

We are asking all people who come to the concerts to bring along food donations to the shows, where there will be collection points across the venue each night. Here is a link to information on the items that are requested: <https://www.trusselltrust.org/get-involved/ways-to-give/donate-food/>

There will also be donation buckets and card readers for any spare cash that you are able to donate towards a local food bank near to the venue.

Please help food banks be here for people on the lowest incomes this winter and beyond.

We wanted to say a huge thank you in advance to you all for your generosity.
